From the Back Cover

Quinn Lennox is searching for a missing friend when she stumbles into a dark otherworld that only

she can see—and finds herself at the mercy of Arturo Mazza, a dangerously handsome vampire whose wicked kiss will save her, enslave her, bewitch her, and betray her. What Arturo can't do is forget about her—any more than Quinn can control her own feelings for him. Neither one can let desire get in the way of their mission—his to save his people, hers to save herself. But there is no escape from desire in a city built for seduction, where passion flows hot and blood-red . . .
