Description:

Comprehensive, full-color, and completely one-of-a-kind! If you're looking for an all-inclusive review to help you pass the National Board Dental Hygiene Examination (NBDHE) on the first try, then look no further than **Darby's Comprehensive Review of Dental Hygiene, 8th Edition**. Written by a team of expert authors, this "go-to" review tool includes everything you need to fully prepare for the NBDHE — including 1,100 chapter review questions; four computerized practice exams to simulate the NBDHE test-taking experience; case studies throughout; an outline-style review of all the topics covered on the exam; and more. It's the one-stop NBDHE review tool you

can't afford to be without!

- **Comprehensive coverage** offers an all-inclusive review for the NBDHE and is supplemented with 2,500 practice questions, including four simulated exams.
 - **Expert editor and chapter authors** are leading educators, researchers, and practitioners in their specific areas who have an in-depth knowledge of what it takes to succeed on the NBDHE.
 - **Outline format** visually organizes the content and presents information in summary style for easy review and study.
 - **Full-color format** features content that is liberally supplemented with illustrations, diagrams, clinical photographs, and radiographs to enhance understanding.
 - **Case presentations** throughout help prepare users for Component B of the board examination.

 - **NEW! Revised chapter content** reflects the latest research and changes in infection control, nutrition guidelines, evidence-based care, periodontal therapy, pain management, and more.
 - **NEW! Revised art program** features new clinical images that accompany content updates and case presentations.
 - **NEW! Review questions** – 50 per chapter – end each content review. Answers and rationales are included for each.
 - **NEW! Four all-new online simulated exams** provide opportunities for authentic test-day experience. Study and exam modes, question rationales, mapping to NBDHE categories, and timer functionality help build confidence and content mastery.
