A practical, step-by-step core research text that balances coverage of qualitative and quantitative methods

Educational Research: Planning, Conducting, and Evaluating Quantitative and Qualitative Research offers a truly balanced, inclusive, and integrated overview of the field as it currently stands. This text provides thorough coverage of the methods and procedures used in quantitative, qualitative, and mixed-methods research. It helps students learn how to begin to conduct research and see a project through preparation of a manuscript, and it also helps students learn how to read and evaluate research reports. The Enhanced Pearson eText features interactive learning modules and assessments.

Improve mastery and retention with the Enhanced Pearson eText*
