Description:

Tracing the evolution of fashion — from the early draped fabrics of ancient times to the catwalk couture of today — *Fashion: The Definitive History of Costume and Style* is a stunningly illustrated guide to more than three thousand years of shifting trends and innovative developments in the world of clothing.

Containing everything you need to know about changing fashion and style — from ancient Egyptian

dress to Space Age Fashion and Grunge — and information on icons like Marie Antoinette, Clara Bow, Jacqueline Kennedy, and Alexander McQueen, Fashion catalogs the history of what people wear, revealing how Western fashion has been influenced by design from around the world and celebrating costume and haute couture.

Fashion will captivate anyone interested in style — whether it's the fashion-mad teen in Tokyo, the wannabe designer in college, or the fashionista intrigued by the violent origins of the stiletto and the birth of bling.
