Description:

A charming gift for expectant parents, *Oh Baby, the Places You'll Go* is designed to be an in utero introduction to the wonderful world of Dr. Seuss. Adapted from his works, and touching on them all from Horton to Who-ville, author Tish Rabe has maintained Seuss's style perfectly. Your baby is the unnamed star of the book, and reading directly to your tummy becomes easy with lines like "the words I am saying you hear in your heart, and know that I wish you the very best start." Filled with the good doctor's whimsical illustrations, you'll find all your favorite characters, with a short rhyme

that mentions each one--and just enough direct quotations to get those infants stimulated when you read Seuss's whole books to them at a later date. --*Jill Lightner*

From the Inside Flap Artfully extracted and adapted almost entirely from Ted Geisel's work, this is a *must* for all expectant parents - and introduction to the wonderful world of Dr. Seuss for their adorable baby-to-be. Exciting new discoveries are being made all the time about how much learning takes place while a baby is still in its mother's womb, and *Oh, Baby, the Places You'll Go!* makes the perfect welcome! It's never too early to start them on a rich and healthy regimen of good ol' Dr. Seuss.
