Show students how diverse communities and different regions have shaped America

Out of Many: A History of the American People, Eighth Edition offers a distinctive and relevant approach to American history, highlighting the experiences of diverse communities of Americans in the unfolding story of our country. The only American history text with a truly continental perspective, *Out of Many* offers community vignettes — from New England to the South, the Midwest to the far West — that help students see how diverse communities and different regions have shaped America's past.
