Description:

Take a journey through the world's most romantic city, traveling from color to magnificent color with this beguiling book. An orange café chair, bright blue bicycles against a fence, a weathered white door—Nichole Robertson's sumptuous photographs of the distinctive details of Paris, all arranged by color, evoke a sense of serendipitous discovery and celebrate the city as never before. At once a work of art and a window into the heart of the city, *Paris in Color* will surprise and delight those who love art, design, color, and, of course, Paris!
