Description:

THE definitive book for food safety training and certification

Developed by the industry, for the industry, **ServSafe®** is a proven way to minimize risk and maximize protection for foodservice owners, employees, and customers. Recognized as the industry standard, **ServSafe®** offers a complete suite of printed

and online products and is the most important ingredient to food safety training and certification success.

The ***ServSafe CourseBook with Answer Sheet Sixth Edition Revised*** reflects the latest updates from the **2013 FDA Food Code** providing the most current focus on the preventative measures to keep food safe. With its comprehensive coverage of key food safety concepts, the ***ServSafe® Coursebook Revised*** will completely prepare readers for the most current **ServSafe Food Protection Manager Certification Exam**, and, more importantly, it will promote adherence to food safety practices in the workplace. It is the ideal solution for the academic setting, multiple-day training, or individuals in need of more extensive food safety training.

Food safety has never been more important to the restaurant industry and its customers. Based on industry-identified job task analysis, the content in the *ServSafe Coursebook* goes beyond the principles found in the *ServSafe Manager Book* and adds greater depth and breadth of food safety practices by featuring expanded sections on food defense, high-risk populations, active managerial control, and crisis management. Food safety topics are presented in a user-friendly, practical way with real-world case studies and stories to help readers understand the day-to-day importance of food safety.
