Description:

This updated edition of The Complete Guide to ACT Reading is designed to reflect the most current version of the ACT Reading Comprehension test. In addition to a complete chapter covering each major question type, this book includes an overview of common passage topics and themes designed to teach students to "read the test" and to identify correct and incorrect answers more quickly and accurately; an extensive discussion of time-management strategies on both individual

passage/question sets and on the Reading test as a whole; and two full-length practice tests accompanied by thorough explanations.
