About The Wizard of Oz:

Ever since Dorothy realized that she was not in Kansas anymore, she has encountered nothing but excitement and adventure in the Land of Oz. She befriends talking creatures, magical constructs, and even powerful witches and wizards. Together they overthrow evil and repel invaders, setting things right in the land once more, all while discovering the inner strength and courage that each one of them possess.

Dorothy and other visitors always find themselves in the Land of Oz, where some adventure always awaits them. Other heroes hail from the Land of Oz itself, merely trying to survive the perils of living in this magical land. At the end of each adventure, however, the heroes can always look forward to a feast in Emerald City, after which Dorothy herself will always find her way back home to her aunt and uncle.
