Description:

Master the world's #1 genealogy website and discover the secrets to Ancestry.com success! This

book, **updated in 2016 to include the most recent changes to the site**, will help you get the most out of your Ancestry.com subscription by showing you how to take advantage of all the world's biggest genealogy website has to offer--and how to find answers to your family tree questions within its 14 billion records, 60 million family tree and 32,000 databases.

What you'll learn:

- Step-by-step strategies for structuring your searches to find what you're looking for faster
- How to drill down to specific records, time periods and topics using the card catalog
- Details on each of Ancestry.com's historical record collections, including what you can expect to find in them--and when you need to look elsewhere
- Tips for creating and managing your family tree on Ancestry.com, as well as connecting your tree to others on the site
- Timesaving tricks to maximize your Ancestry.com Hints (the "shaky leaf"), Tree Sync with Family Tree Maker, and the Ancestry.com mobile app

Each chapter includes step-by-step examples with illustrations to show you exactly how to apply the techniques to your genealogy.

Whether you've just begun dabbling in family history or you're a longtime Ancestry.com subscriber, this book will turn you into an Ancestry.com power user!
