Description:

The Way I Act explores thirteen ways of behaving. The friendly verses and bold illustrations convey many positive ideas of how to act in a variety of situations. In the companion book, The Way I Feel, children learned that feelings come and go and simply are.

A little older now, they are ready to think about the ability they have to control how things turn out. Like The Way I Feel, this book is ideal for children with autism.

(Ages 4-9)
