Bridge from everyday writing to writing in *any* situation.

College students write regularly in personal and social settings, but they often find it challenging to transition successfully to academic contexts. By building from their everyday writing experience, ***Writing Situations with MyWritingLab*** prepares students to analyze, navigate, and write effectively in any situation. Author Sid Dobrin presents a rhetorical situation both nuanced and practical, grounded not only in audience, purpose, and context but also impacted by medium, methodology, and relationships among stakeholders. ***Writing Situations*** provides a framework and a process for students to apply to any writing project and any situation.
